CHALFONT DENE
OUR COSTS EXPLAINED

FROM MARCH 2021

MAKING FINANCES SIMPLE AND STRESS-FREE

Two types of payment to make life easier

Our fees ensure that all the costs of running an Audley village are met. This includes ongoing costs such as maintaining the exterior of your home, providing discreet but effective security, maintaining the village and the village grounds as well as fees associated with managing and operating Audley Court Ltd. Additionally, at some point in the future, expensive structural repairs or improvements will become necessary, for instance, resurfacing roadways and pathways or re-roofing properties

To relieve you of these concerns, we need to collect 2 types of fee to ensure we have sufficient funds to cover all the ongoing costs of running the village and the expense of any major works required.

A monthly payment

The monthly management fee from 1st March 2021 is £931.08* per calendar month. One important thing to note: Audley owners have our firm undertaking that their monthly management fee will increase only once a year, on 1st March, based upon the previous December retail price index % figure supplied by the ONS or in line with the Annual Earnings index, whichever is the highest.

So you can be secure in the knowledge that there are no large unexpected price rises lying in wait for you. There is regular dialogue with owners about the services offered as part of the monthly management charge. We give owners at least a month's notice of the RPI percentage increase for the following year. If we were unable to provide a service covered by the charge we would make alternative arrangements.

Our deferred management charge

As well as the monthly management fee, a deferred management charge is payable from the sale of your home, or change of occupier. This, together with the monthly management fee, ensures that everyone who lives in an Audley village can do so knowing there will always be sufficient funds to carry out any works, maintain the continued high standard of the village and ensure that each property has the ability to increase its value within the housing market.

Following many years of experience, we consider that the Audley lease and the deferred management charge is the most cost effective and efficient method to cover expenditure and, over a long term, this may work out at lower cumulative costs than some people may pay for upkeep and major works on their own family home.

How much will you pay? You don't pay anything until you sell your property; you contribute 1% of the greater of the achieved market price or agreed valuation of the property per year or part-year of occupation before receiving the proceeds. The example below shows what the total payment would be if you sold at any given time.

YEAR	HOUSE VALUE	DEFERRED MANAGEMENT CHARGE %	FORECAST FEE £
Year 1	850,000	1%	8,500
Year 2	884,000	2%	17,680
Year 3	919,360	3%	27,581
Year 4	956,134	4%	38,245
Year 5	994,380	5%	49,719
Year 10	1,209,815	10%	120,982
Year 15	1,471,925	15%	220,789

The above table assumes that house prices increase by 4% per annum. The deferred management charge equates to 1% increase per year up to a maximum of 15% (15 years). Please refer to your lease for further details or speak to your sales advisor.

RESELLING

The best possible price with the least amount of stress

When you come to sell your home, our staff will ensure every effort is made to complete the sale as quickly and as efficiently as possible. On all resales Audley will charge a sales administration fee of 1% of the greater of the achieved market price or agreed valuation. This covers the costs that Audley incurs in administering sales and explaining the Audley retirement living concept to prospective buyers.

How do you sell?

There are two options to be able to sell your property.

- You can instruct a traditional estate agent. Any fees charged by the agent would be negotiated by yourself or your representative.
- Alternatively you can instruct us to market your property to our database and waiting lists. This way, you know that the people being targeted are already aware of Audley and the retirement living concept. Our sales agency fee will be 2% of the sales value achieved (VAT applicable).

The services we provide for the additional sales agency fee will include:

- Receiving and validating enquiries from prospective purchasers
- Arranging appointments to view
- Conduct comprehensive viewings of your property as well as a tour of our facilities
- Detailed explanation of our services and offerings including the club facilities and associated activities
- Full explanation of the homecare care services available
- Assessments of prospective purchasers health & well-being
- Agreement and provision of appropriate homecare packages – where applicable
- Full explanation of the terms of the lease
- Instruction to our solicitors to answer purchasers solicitors questions
- Progression of the sales from reservation to completion
- Assistance from our staff with regards to packing, removals, utility transfers etc.

At any point during the sales process, should you wish to switch from us to an agent, that is entirely your prerogative and choice which we will respect. Please note that the sales administration fee will remain payable in these circumstances, as this covers the costs that we incur in all resales.
