

INGLEWOOD VILLAGE

OWN YOUR RETIREMENT

Our idea of retirement is different. At Audley you're in charge, which means you can live the life you love, keep your highly valued independence and own your own property. Because when you've worked hard to become the person you are today, we believe you shouldn't have to change your lifestyle when you retire.

We look after the maintenance and security of your property and the grounds, leaving you free to spend your time however you wish. You could explore the stunning landscaped gardens, enjoy fine dining in our restaurant, indulge in some pampering at the Audley Club or keep up your love of travel knowing your home is safe and sound. What's more, you could join one of our regular get-togethers, take part in an exercise class, de-stress at a mindfulness session or make use of our extensive Audley Care services – all of which are part of our health and wellbeing programme.

Owning a home at Inglewood gives you a truly independent lifestyle in a beautiful and secure environment. We look forward to showing you around.

WELCOME

INGLEWOOD LUXURY RETIREMENT VILLAGE

Built on land once held by William the Conqueror in the glorious West Berkshire countryside lies Audley Inglewood. Proudly standing in the centre is an exquisite manor house, home to stunning apartments and the Audley Club, with its own luxury health club, swimming pool, library and restaurant, together with the bar and bistro.

TRANQUILITY

HISTORIC ELEGANCE

Audley Inglewood is a luxury development of over 90 elegant properties near the village of Kintbury and 2 miles from Hungerford in West Berkshire.

At the heart of the village is Inglewood House, a magnificent manor house that has been carefully rebuilt and returned to its former glory. Behind Inglewood House, the landscaped gardens are home to the lovingly restored Clock Tower and the original Walled Garden. These are surrounded by 39 acres of parkland, beautiful protected woodland and hidden historical treasures including a religious grotto.

A WALK THROUGH HISTORY

In the 19th century Jane Austen's family often visited cousins in Kintbury, but the village's history extends far beyond this. The Domesday Survey records it occupying lands on both sides of the River Kennet. The southern side was held by William the Conqueror and Inglewood was one of its manors.

In 1928, Inglewood was purchased by the Catholic De La Salle brothers to be used as a monks' college. Nearly 50 years later it was transformed into a luxury health hydro.

Whether you want to be active, exercise and make the most of the local amenities, or simply take it easy, take stock and enjoy a little peace – it's entirely up to you.

PICTURESQUE KINTBURY

Kintbury was named by The Sunday Times as one of England's top ten most sought-after villages. This pretty village is situated among some of the best countryside in West Berkshire, and yet is conveniently close to the A4 and mainline station from London, with junctions 13 and 14 of the M4 nearby.

There is also much to enjoy locally with The Kennet and Avon Canal quietly connecting the famous antique shops and independent boutiques of Hungerford with Newbury's colourful markets and contemporary retail shops.

Take a stroll up and around Walbury Hill and you will be rewarded with stunning views over Kennet Valley and the Hampshire Downs.

FAMOUS CONNECTIONS

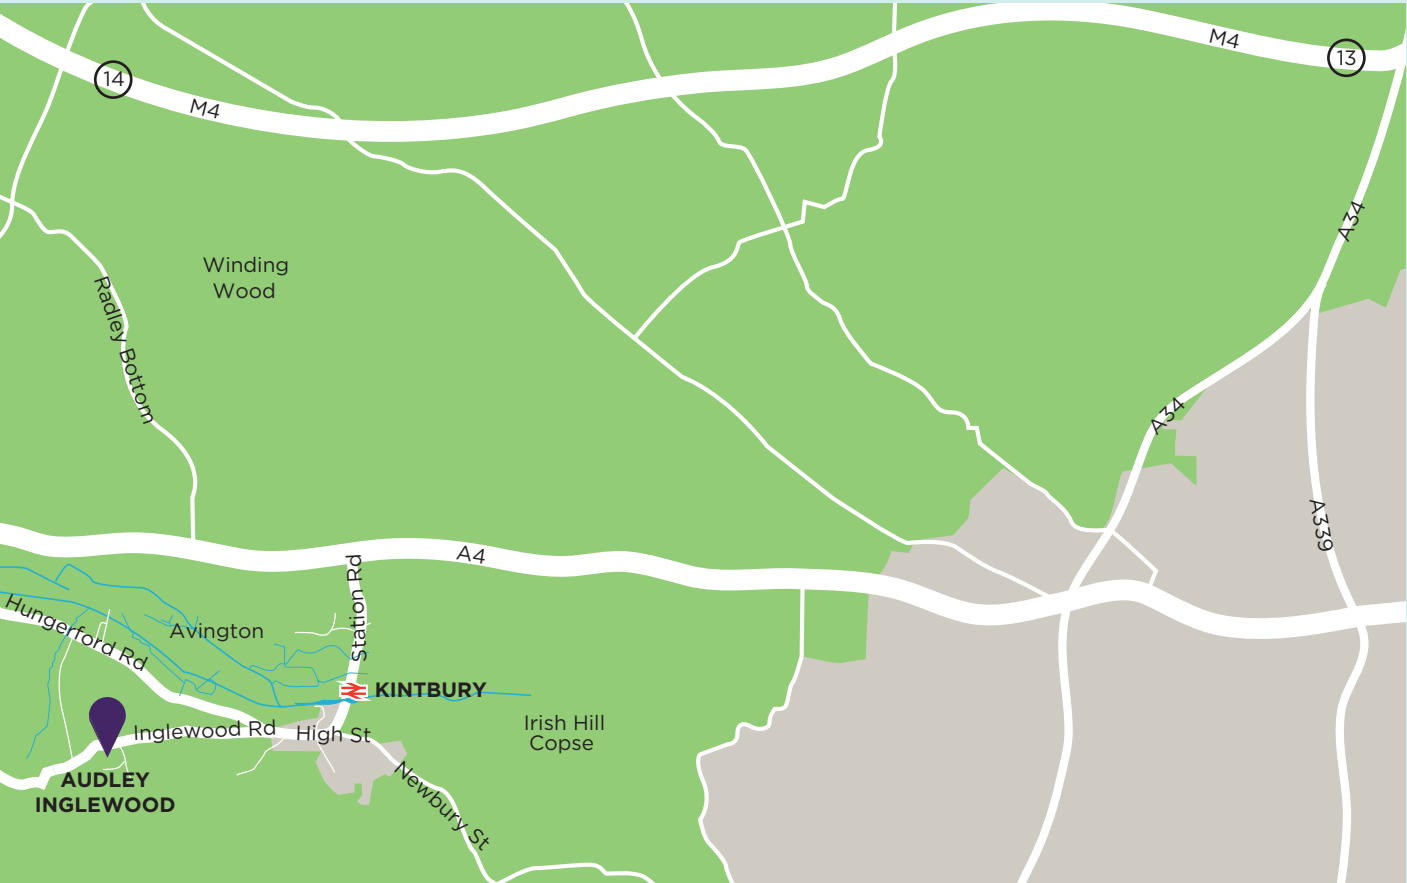

You're not far from Highclere Castle, remaining in the Carnarvon family for well over 300 years and whose 5th Earl discovered the tomb of Tutankhamun in the 1920s. It is better known today as Downton Abbey from the popular TV series.

The entire area surrounding Audley Inglewood is part of the North Wessex Downs Area of Outstanding Natural Beauty (AONB), and just 15 miles north of the estate is the hill where English author Richard Adams based his classic heroic animal fantasy novel, 'Watership Down'.

OUR PART EXCHANGE PARTNERS

The Audley Part Exchange Service is managed by our market-leading home buying partners who offer one of the most competitive and attractive part exchange schemes available.

There is no charge for this service and no obligation whatsoever to accept any offer. A commission may be paid to Audley sales team by our part exchange partners in the event of a part exchange sale.

HOW IT WORKS

STEP 1

Once you've found your perfect Audley property, you simply provide the details of your current home to us and we will obtain valuations from our network of trusted local estate agents.

STEP 2

We will then make an offer to purchase your home. If you accept the offer a survey will be arranged and we will then confirm our offer.

STEP 3

Your property is now sold, your Audley property can be reserved and solicitors are instructed to proceed to exchange within 6 weeks. You can move in when your property is ready, or up to 2 weeks after the completion date if you need some extra time to make the move.

BRIDGING FINANCE

Audley Villages has partnered with Knight Frank Finance to help you move into your new Audley property before you sell your current home.

Customers who are awaiting the sale of their home, and need to sell to finance the purchase, will now be able to use bridging finance to speed up their move. This is different from the normal terms of a bridging loan, where the borrower is required to remain in the property. Audley Group and Knight Frank Finance's innovative structures mean customers will be able to move to a village and take advantage of all the facilities and care immediately.

Bridging finance is usually taken between 1 day and 12 months and loans are available at market leading rates.

Audley will take no fee for introducing anyone to Knight Frank Finance, forming part of the value added range of services we provide to prospective customers.

Buyers are advised to seek independent financial advice on whether bridging finance is suitable for their needs.

ENSURING A STRESS-FREE MOVE

Decluttering can be an overwhelming experience, particularly if you are starting to think about downsizing for the first time. Audley can help ease the pain of moving.

We can:

- Sort and pack your possessions
- Arrange and liaise with estate agents, solicitors, financial advisors and other professionals
- Organise a removal company
- Produce floor plans showing how your furniture will look in your new home
- Arrange for the auction, donation or disposal of unwanted items
- Unpack and set up your new home
- Co-ordinate cleaning, property repairs, waste removal and recycling, decorating, flooring and new furniture
- Deal with change of address notifications and co-ordinate connection to gas, electric, water, telephone, TV, internet and other suppliers

OUR DOWNSIZING PARTNER

We work with The Senior Move Partnership who have a team of trained specialists. Each specialist is committed to providing the highest standard of practical and emotional support.

RESELLING

We aim to get you the best possible price with the least amount of stress.

Our staff will ensure every effort is made to complete the sale of your home as quickly and as efficiently as possible. On all resales, Audley will charge a sales administration fee of 1-2%* of the greater of either the achieved market price or agreed valuation (VAT applicable).

There are two options for selling your property:

- You can instruct a traditional estate agent
- You can instruct us to market your property to our database and waiting lists. This way, you know that the people being targeted are already aware of Audley

Our sales agency fee will be 1-2%* of the sales value achieved (VAT applicable).

*Property dependent, please consult with a member of the Audley sales team for details.

MAKING FINANCES SIMPLE

Naturally, when you are considering your next move, you want to be sure that you are making a sound long-term financial decision. Below you will find all the costs associated with living at an Audley retirement village explained – our aim is to ensure everything is as simple and stress-free as possible for you.

TWO TYPES OF PAYMENT TO MAKE LIFE EASIER

Our fees cover the overall costs of running an Audley retirement village. These include ongoing costs such as maintaining the exterior of your home, providing discreet but effective security, maintaining the village and the village grounds. Additionally, at some point in the future, expensive structural repairs or improvements will become necessary. We collect two types of fee: a monthly payment and a deferred management charge. These fees ensure we can cover all the ongoing costs of running the village and the expense of any major works required. This means you'll never face a surprise cost and you'll have total peace of mind about your home.

GROUND RENT

Like many other leasehold schemes, there is an annual charge for ground rent. The rate is set out in the relevant lease, please ask the sales team for more information.

ALL THESE SERVICES ARE COVERED BY YOUR FEES:

For your convenience, the cost of any additional services used will be added to your monthly invoice.

BUILDING BETTER FUTURES

We have been building and managing luxury villages for over 20 years but our experience in providing high-quality accommodation and care for older people goes back much further.

In 1983 our Chief Executive Nick Sanderson founded a company called Beaumont – which over time developed the conventional care home concept into something completely different – the UK's very first luxury retirement villages. Over thirty years on we have grown to be a successful company. Our solid foundations and innovative thinking have attracted major financial backing from companies including Private Patients Plan, 3i and, most recently, Moorfield Group.

GROWING COMMUNITIES

Willicombe Park in Royal Tunbridge Wells, our first retirement village, opened back in 2000. We are proud to say it is now a thriving community. And thanks to our financial backing, we are also pushing ahead with our plans to build further luxury villages across the UK.
